

The Sam Loyd Famous Trick Donkeys Art Competition

Background:

Sam Loyd's most famous puzzle card, the **Famous Trick Donkeys** will be celebrating 150 years since it was first published in 1871. The card consists of two jockeys (riders) and two donkeys, the object is to cut the card on the lines and lay the three pieces so as to show the jockeys racing without further cutting or bending.

The Competition:

To celebrate 150 years, The Sam Loyd Company is asking artists to create a special version of this puzzle based on the original. That is the image you create must have 2 riders and 2 donkeys and be in the same format as the original puzzle card. That means 1 donkey at the top, 2 riders in the middle and one donkey at the bottom.

Each acceptable image will then be posted on the Official Sam Loyd Instagram account [samloyd-co](#) and we will ask people to vote for the one they like the best. The one with the most amount of likes on **15th February 2021** will win the competition. There will also be a second and third prize.

The prizes will be as following:

- 1st Prize is \$100 Australian Dollars
- 2nd Prize is \$75 Australian Dollars
- 3rd Prize is \$50 Australian Dollars.

The winners design will then be published as a puzzle card and be available to be purchased at the official website [samloyd.com](#)

We will then print 25 copies of each of the 3 prize winners designs to be sent to them to share with friends and family.

This winning card design will only be available in 2021.
